## No set up fee

There are no set up fees for branding or any other hidden costs.

## No minimum order

We have no minimum order quantities. You can order just one if that's what you need :)

## Satisfaction Guarantee

If you don't love your product, send it back and we'll refund you in full.

## Uniquely yours

Design your own bespoke pack using TED (our online design tool).

# STUDIO SAMPLES

---

25% off Studio Samples  
with the code: **LOVEIT**

---

Our studio samples look and feel exactly the same as our real products. The only difference is that there is no memory chip in the USBs and 'Studio Sample' is branded on the base of the boxes. They are perfect for showing prospective clients in studio or at fairs and events. Our customers have had great success using different products for their various photography packages so we recommend buying a few different samples.

All studio samples are sold at 25% off the regular price. In order to receive your studio sample discount, you must enter this coupon code at the checkout: **LOVEIT**

For a limited time only, we'll also give you **FREE DELIVERY.**
